

Ask Amanda

“With the EU referendum result now clear, is there anything I have to do urgently?”

After any change we all have a number of options open to us. It is important to remember that one powerful option is to do nothing.

If you are like me, then August is a time when many of us expatriates enjoy family and friends visiting and seeing their realisation as to why we chose our French lives in the first place. There will be ups and downs as the UK negotiates an exit from the EU. However, in a process that may take several years, my recommendation is to enjoy your August, after what was a very wet Spring.

I am currently in the process of organising a number of financial surgeries throughout the Deux-Sèvres for September and will post these in the September edition. The purpose of the surgeries is to give you an opportunity to have an informal chat about your financial circumstances and any questions you have. If you have specific concerns about your personal circumstances now, please feel free to call or message me on the numbers below. However, in the words of Lance Corporal Jones in those famous Dad’s Army TV shows.....Don’t Panic!

Whether you want to register for our newsletter, attend one of our road shows or speak to me directly, please call or email me on the contacts below and I will be glad to help you. We do not charge for reviews, reports or recommendations we provide.
